Dear Dr. Sofa,

I just wanted to thank you all for a great job. I bought a sofa from Room & Board. The sofa did not fit through the doorway of my apartment and Dr. Sofa came in very handy. They took apart the sofa and reassembled it in about one hour. Everyone was very professional and very friendly. I HIGHLY recommend that anyone use your services. I will definitely spread the word about your services and continue to use Dr. Sofa in the future.

Thanks Again,
