Re: **Letter of Recommendation for Design2Units**

Dear Shlomi,

Thank you very much for the high level of professional care and quality service that you provided for us with the recent move and restoration of our antique Indonesian book cabinet, Chinese wedding cabinet, and Korean chest.

These items have enormous sentimental value to us and your knowledge and care exhibited in the handling and restoration of these items was sincerely appreciated.

It is with great pleasure that I offer this letter of recommendation for any of your future Clients and I would be more than pleased to personally discuss with them my satisfaction with your professionalism and service.

I can be contacted in my office at 1-212-888-7663, extension 279 or via email at [JeffreyW@bbg-bbqm.com](mailto:JeffreyW@bbg-bbqm.com).

Many thanks again for everything and I will not hesitate to recommend you to my business associates, friends, and your future potential Clients.

Best Regards,
